There are many paths  
 From which to choose

*I take my first step*

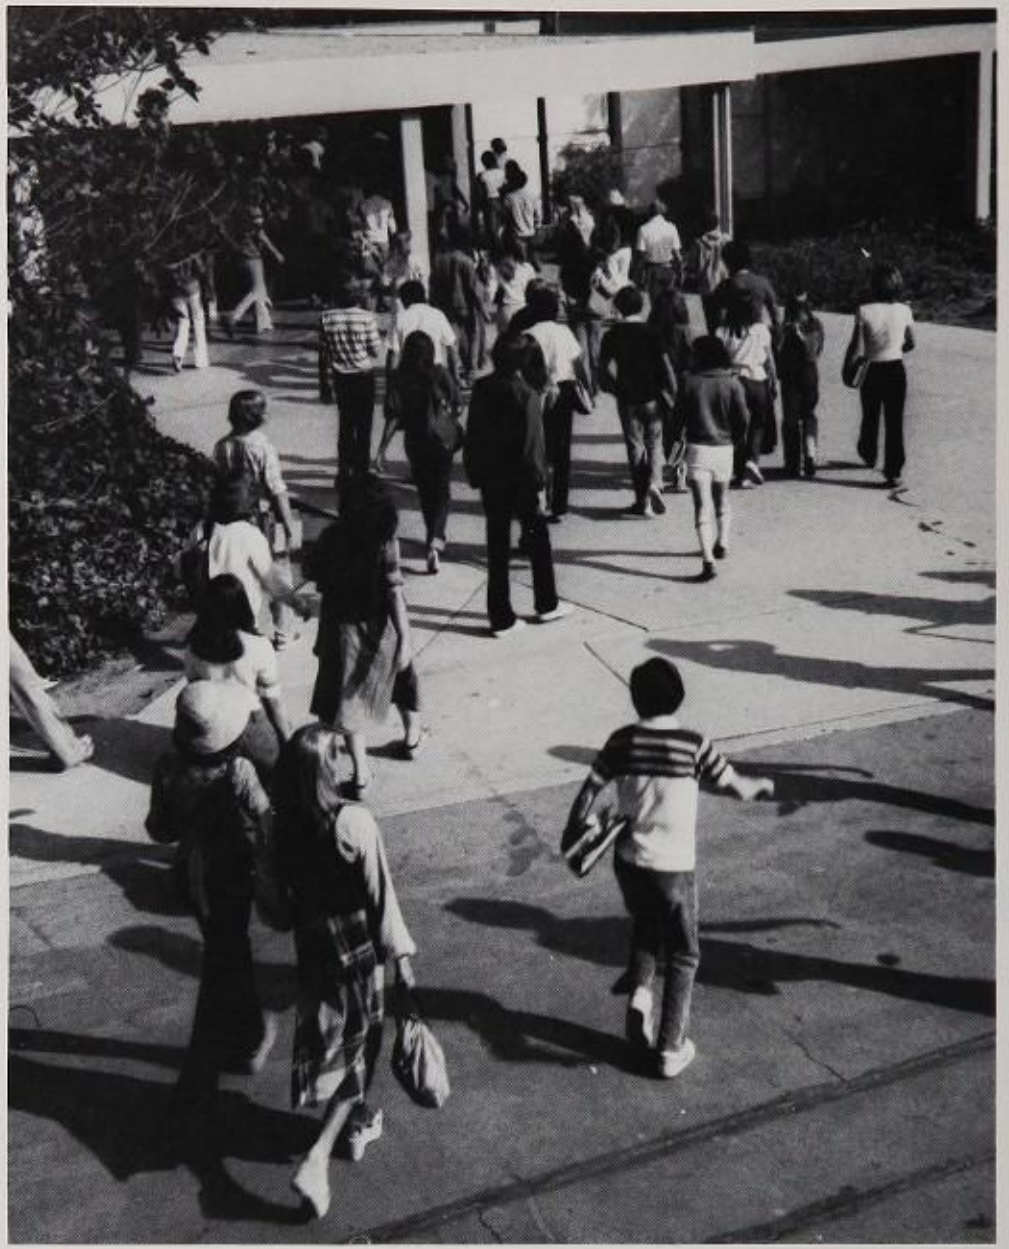

*towards a new beginning*

**Go Dodger  
Blue**

*I do not follow a path  
Another has left before me*

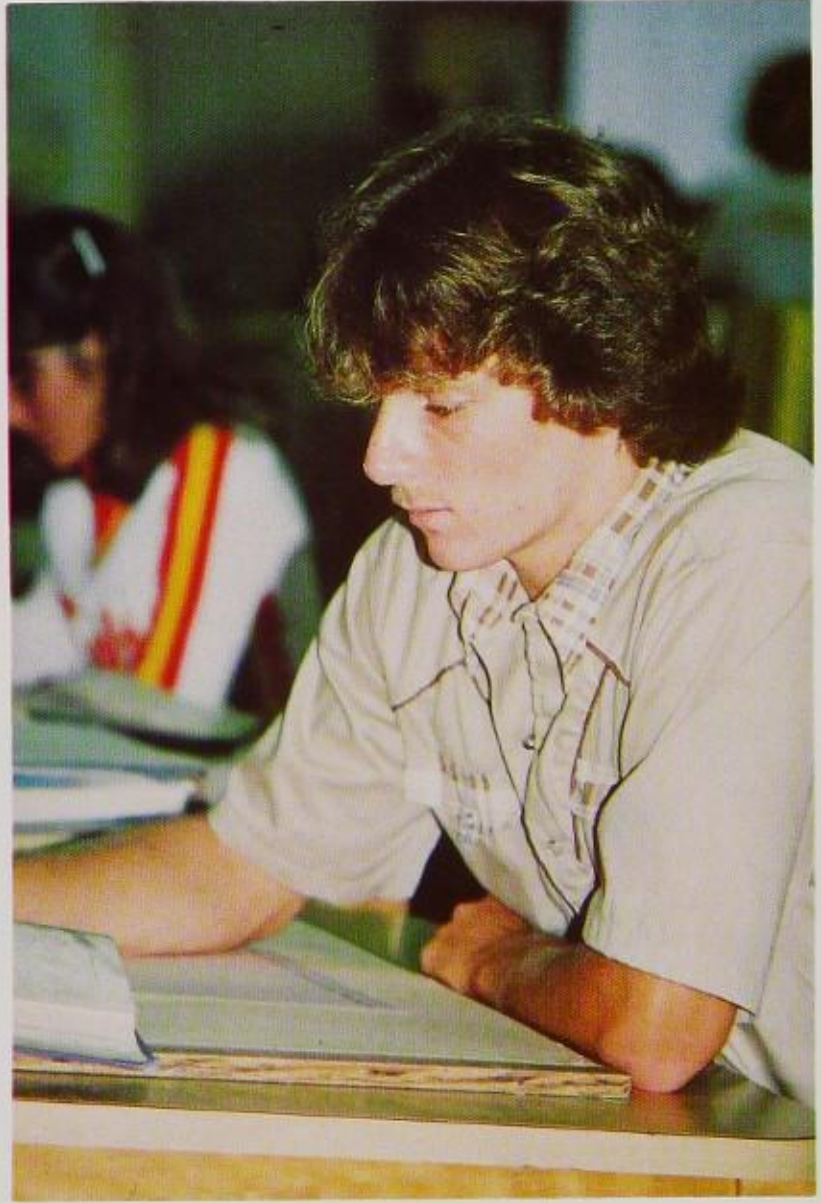

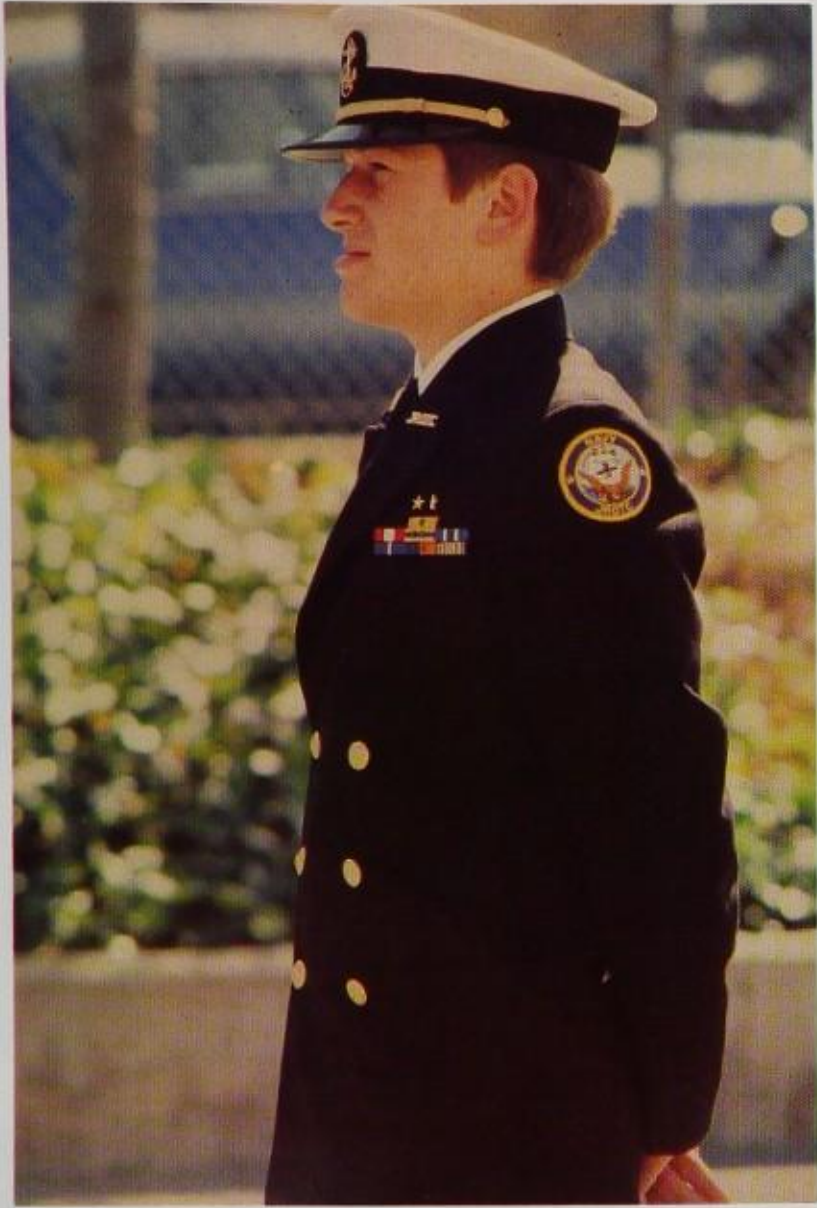

*But go instead,  
Where there is no path  
And leave a trail all my own*

*At times  
I feel  
I walk  
this path  
alone*

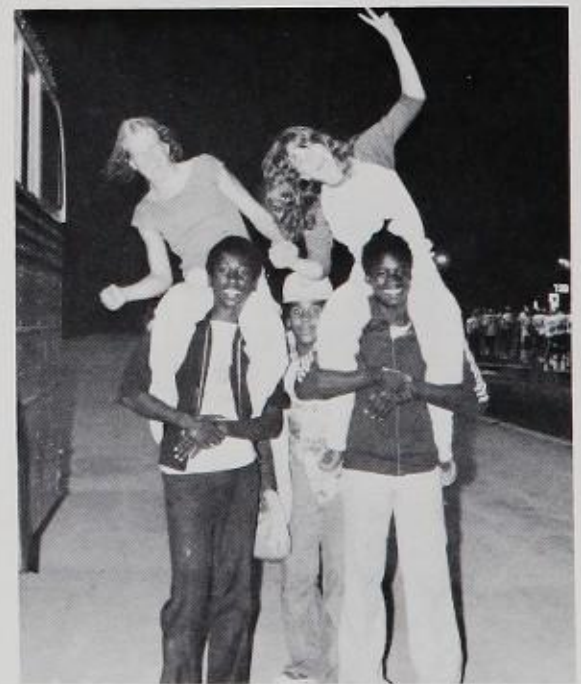

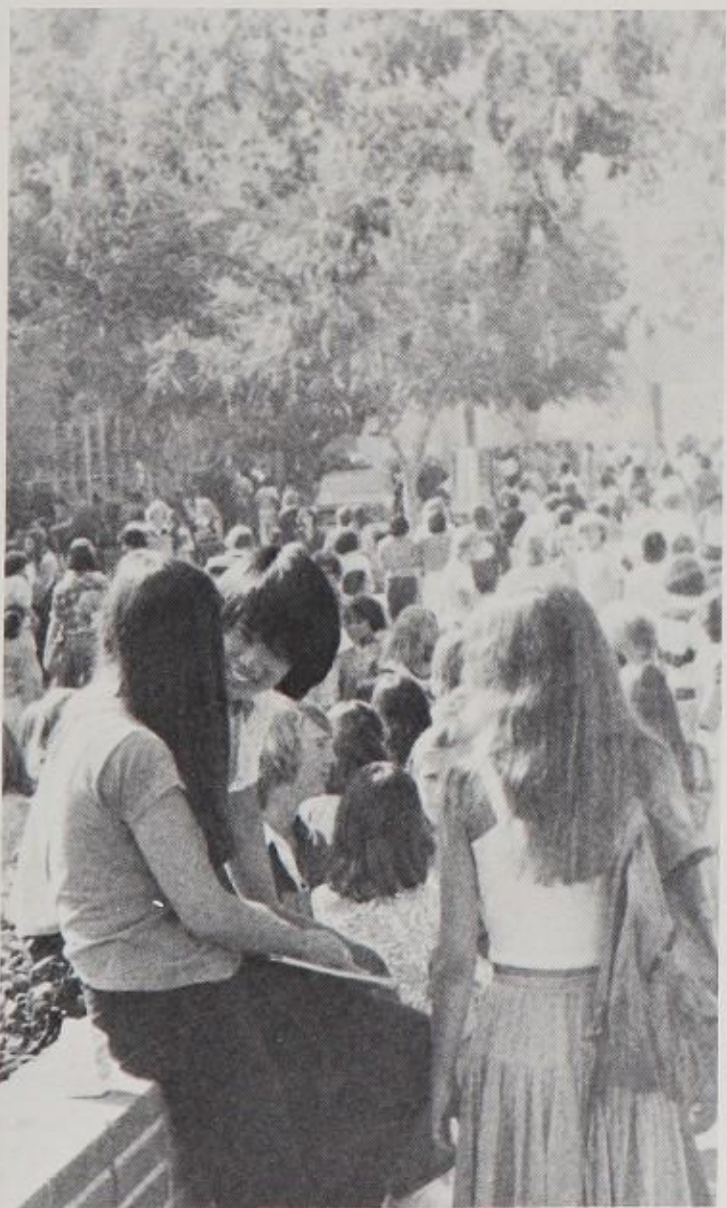

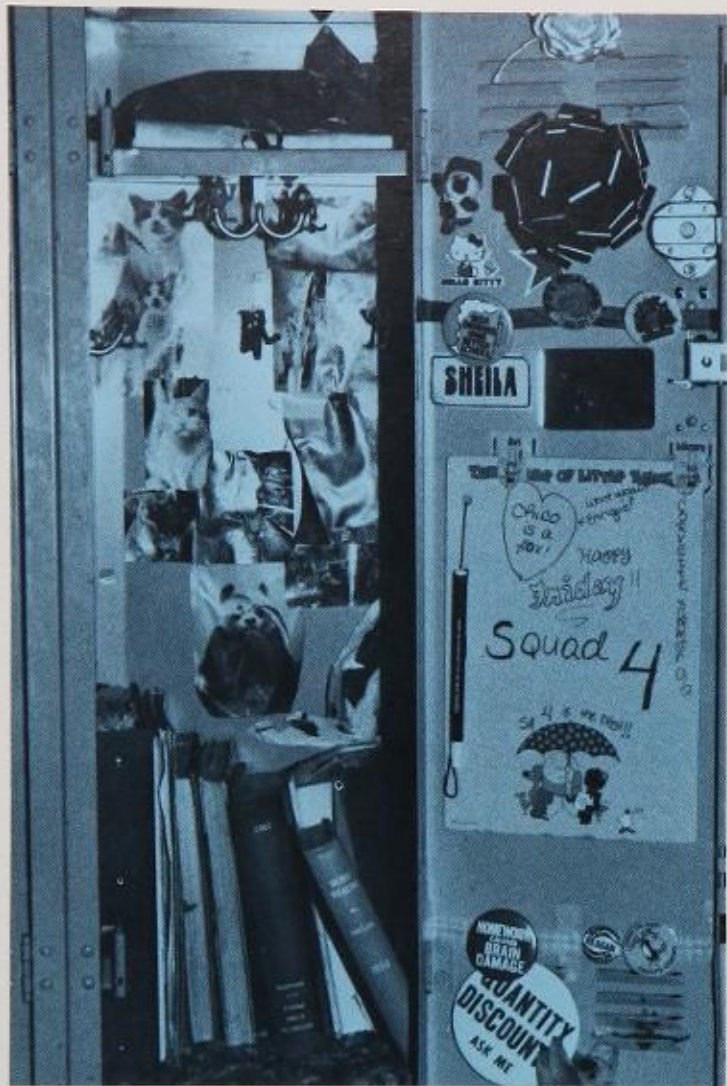

*But I know deep inside  
That there are many people  
Who will always be a part of me*

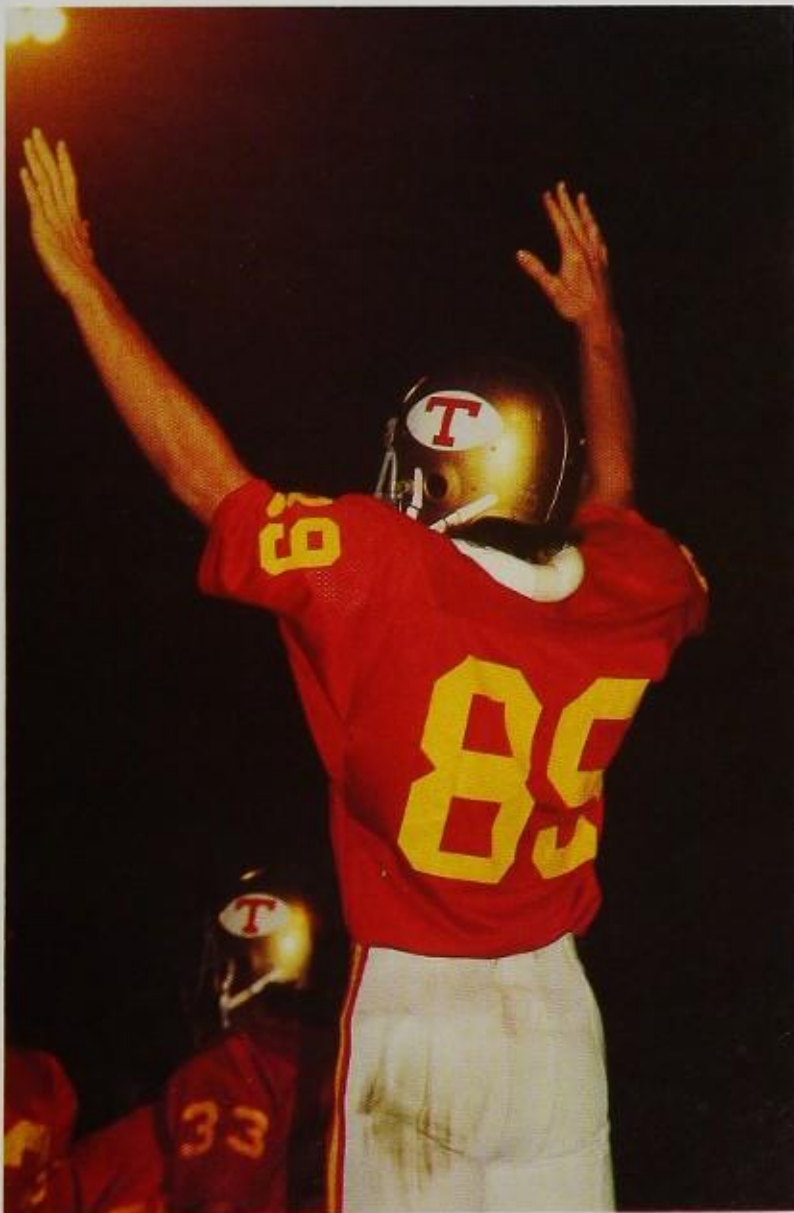

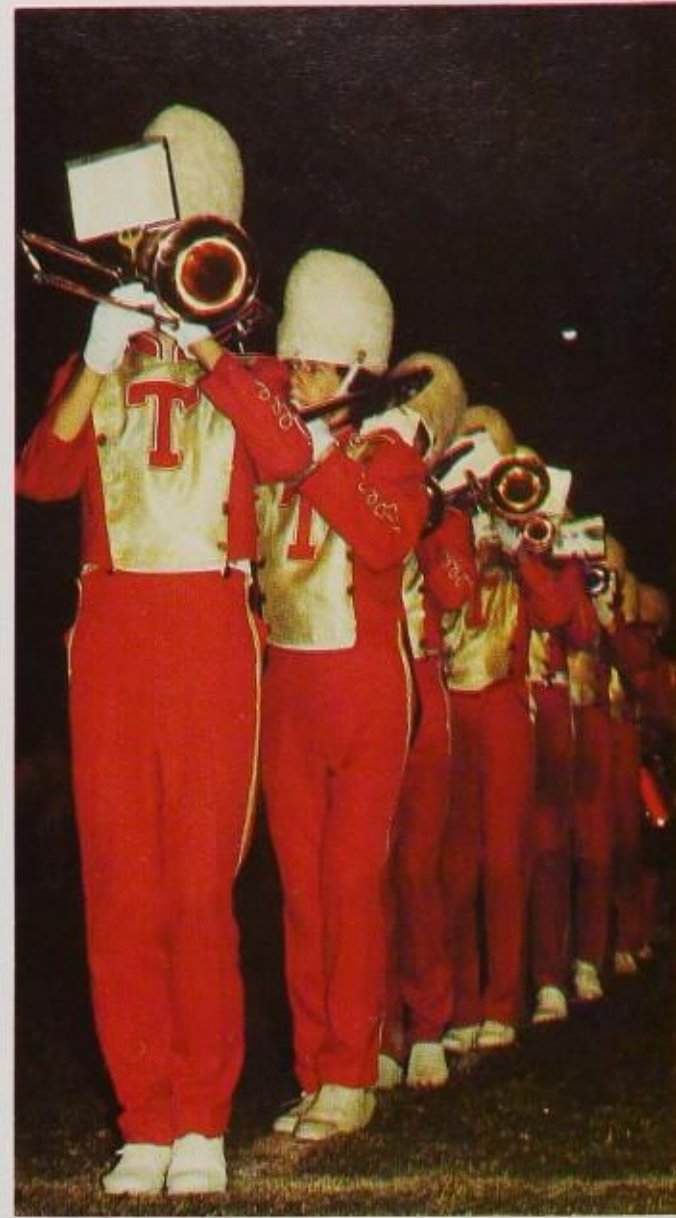

*I am here!*

Comes the realization I must go on*

# SENIOR POLLS

Class Song  
"You've Got a Friend"

e am it you can become it."

It was an easy decision for William Calkin to come to Taft High School for one of his student-teacher assignments as he graduated from Taft in 1974. Mr. Calkin has been active at Taft for the past two years by helping coach the Varsity Baseball Team. The Atinian staff is glad to welcome William Calkin back to Taft.

William Calkin

Taft's new English teacher, Carolyn Rogers, is a native of Chicago, Illinois. In the few weeks of Mrs. Rogers' stay here, she has received a warm and friendly welcome from both the faculty and students.

Mrs. Jane Heidel  
Administrative Dean

Many students will remember Jane Heidel, Taft's new Administrative Dean, as a counselor at Parkman Junior High School. Mrs. Heidel, who has always loved working with students, is enjoying her new position at Taft High School. Some of Mrs. Heidel's hobbies are gourmet cooking, attending the theater and going to sports events, both at Taft and U.C.L.A. where she received her Bachelor's Degree. Mrs. Heidel's favorite pastime is traveling. The Atinian Staff is happy to welcome Mrs. Heidel to Taft High School.

A recent addition to the teaching staff is Gerald Ludwig. Mr. Ludwig, who has been teaching business for twelve years, is happy to be a part of Taft.

To enhance our 1979 theme we asked the teachers the following question: "Who or what led you into the path of teaching?" In the following pages you will find some of their responses. We also asked the teachers to submit an early picture of themselves. If you can not guess who they are, the answers are on page 105.

I wanted to be rich, famous and work in a stress-free environment.

The implementation of Proposition 13 on July 1, 1978 brought many changes to the Taft High School curriculum. The changes included the elimination of summer school and the reduction of many electives. The loss of the electives was due to the students having to take more solids during the school year, since they were unable to take them in summer school. Taft still offered a variety of classes in all the departments.

## FOREIGN LANGUAGE

Future Jet Setters may find it advantageous to have taken one or two foreign languages offered by the Language Department at Taft. Students learned to converse with one another and express themselves in writing. In the Advanced Placement classes, there is the choice of a Literature class, where great works of literature are read, or a Language class, where the emphasis is placed on speaking the language. In either French, German or Spanish, students can be assured of an outstanding background in the language of their choice. C'est La Vie!

## ENGLISH

Taft's English Department, under the direction of Mr. Herman Jay, offered new ways to make English more enjoyable for both the students and the teachers. For a change of pace, students watch many video-tapes and films that are used to supplement the excellent courses available. After viewing the films, the students were usually asked to write a composition on what they saw. Some of the films shown were "The Heart is a Lonely Hunter" (a real tear jerker), "Charlie," "Mary White," "Our Town," "Billy Budd," "The Grapes of Wrath" and for shakespeare lovers, there was "Macbeth." In addition to the Composition classes, the electives included Creative Writing, Journalism and for those exceedingly creative souls, Atinian Staff.

# Goodbye

The pleasure of working at Taft was all mine. In the change of my occupation, I hope that the future holds as great a challenge and as much satisfaction as I found at Taft.

Will share a quote from Eila Wheeler Wilcox:  
"Laugh and the world laughs with you,  
Weep, and you weep alone;  
For this brave old earth must borrow its mirth,  
But has trouble enough of its own."

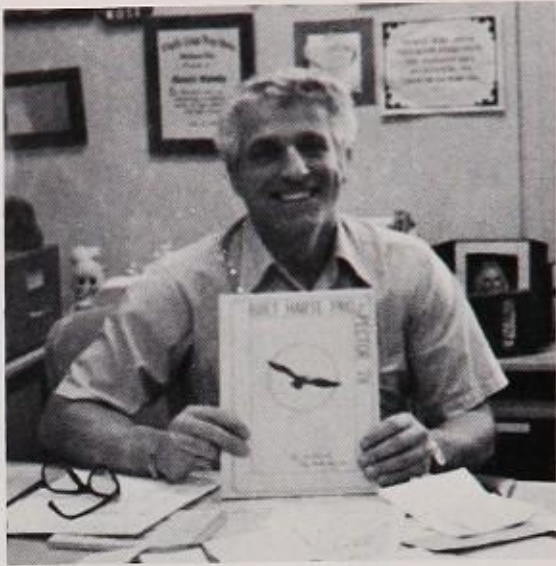

Mrs. Teene Young

Since my title is Credit Clerk, I decided the time had come to tally "my" credits. This is my conclusion.

Taft has given me the best fourteen years of my life. I have enjoyed my work tremendously because of the peace and freedom in which I was allowed to exercise my talent. I have met many wonderful people. Most of my students were delightful children and because of them I have kept in touch with life itself.

Yet, it is without sadness that I say goodbye to all, because nobody is pushing me out. It is my choice to go on to a different kind of life — however I shall miss you all !

AFS INTERNATIONAL CLUB. Front Row: Karyn Shatzkin, Lisa Oxley. Second Row: Katherine Maerz, Mari Jero, Mitch Rapoport, Dan Papra, Anne Brinckle. Back Row: Ryan Bolger, Karola DeGreene, Kate Chason.

The members of the International Club are the main links between the foreign exchange students and the entire Taft Student Body. They are instrumental in helping the exchange students adjust to their new surroundings.

Hi, my name is Mari Jero and I am "YFU's" Foreign Exchange Student from Finland. I lived in a small suburb in the border of Helsinki with five family members. I have two brothers: Mikko, who is a 14 year old school boy and Jussi, 21, who studies in Helsinki Medical University.

Just as football is here, ice-hockey in my own country is a big deal. I am a member of a girls' ice-hockey team in the winter and in warm summers I bicycle a lot. My other hobbies are painting and creative writing.

I came to USA in the middle of August and I'll be going back in the middle of July, after 11 months and many good experiences.

Hello, my name is Anne Brinckle and I'm a Foreign Exchange Student with "Youth for Understanding" this year. My home is Copenhagen which is the capital of Denmark. I'm spending a year in the United States living with an American family to learn about the American way of life and to see the country. I like to travel, see new things, talk with other people, so this is a great experience for me. I would like to be a social worker later on in my life and I really think I can learn a lot about other people and how to cope with problems in the future. I really enjoy staying here and I will never forget this year.

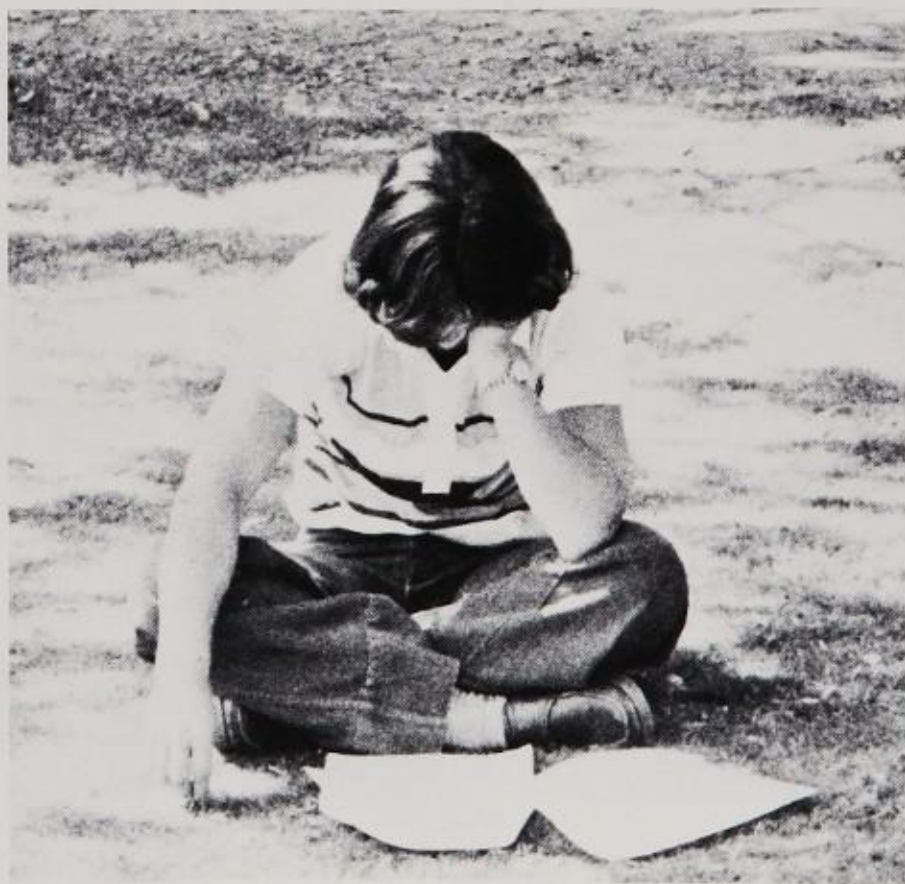

# Spanish & Literature Clubs

The Spanish Club is a club that was especially designed for those who are interested in speaking the Spanish language and learning about the Spanish culture. Their activities include bake sales featuring Spanish pastries and drama presentations in Spanish.

## Ski Club

The Ski Club at Taft was established in 1964 and averages about 100 to 150 active members every year. The members of this club take about four trips a year to many resorts such as Mammoth and Lake Tahoe. During last Winter Vacation, they traveled to Steamboat, Colorado for five days of skiing.

The faculty at Taft, as well as the students, are involved in the Ski Club. Joining this club is an excellent way to make friendships that may last long after graduation. The members of the community are supportive and regard Taft's Ski Club highly. It is one of the most active Ski Clubs in all of Southern California.

# DAVID & LISA

Play Production's fall presentation this year, **David and Lisa**, is the story of two mentally-disturbed adolescents. David, as portrayed by Craig Roose, is the only son of wealthy parents, over-protected by a dominating mother, and tortured by a mania of being touched. Lisa, double cast with Valerie Spencer and Maureen Halpin, is a young girl who has never known parental love, and who is schizophrenic. This dramatic work was a great success, and in the spring the play production class expressed their humorous side by presenting a comedy.

One of our debaters in action.

Taft's Drill Team and Flag Team are an essential part of Taft High School. They symbolize the spirit at Taft and spread it throughout the school to the students and teachers. The members of both teams perform at pep rallies held at nutrition and lunch, and more importantly, star at the halftime shows at all the football games.

The Drill Team and Flag Team meet everyday to learn and perfect their routines. The members of the Flag Team attended the Hibbards Flag Camp in August, and Taft was awarded a trophy for the hardest working Flag Team. In a schoolwide competition in December, they came in sixth place. To end their busy semester, the Flag Team and Drill Team held a banquet where they honored the outstanding members with awards.

The 1979 Atinian Staff would like to take this opportunity to thank some special people. We would especially like to thank Hap Zavack, our yearbook representative, who helped us in every way possible. We also give special thanks to Mr. Jerry Mogalian, White's Studios Photographer, who took so many of our pictures and worked extra hard to help meet our crucial deadlines. We would also like to thank Bill Kent for his Senior Class Poll artwork. Thanks are also due to David Hartman, Alan Hill and the Tribune Staff, Steve Rogers, Tom Wilson, Marty Glickman and David Clayton Weston for contributing photos for different sections of the book. You all helped us in our time of need!

Here it is, your 1979 Atinian. The purpose of your Atinian is to capture many memories and faces of the school year 1978-1979. The theme of the '79 yearbook is pathways. Taft High offers many different pathways from which to choose. The faculty and administration chose the pathway of teaching. Not all teachers responded to the request for an early picture of themselves, but we hope you will enjoy looking at those who did. In the student section, you will find pictures and candids of friends that will remind you of some of the experiences and memorable incidents that have occurred during this year at Taft. As you pass by the clubs and activities sections, you will be surprised at the variety of pathways offered. Glancing at the sports section, memories of league games and meets will be recaptured. The staff works hard to meet demanding, unrealistic deadlines so that you can receive your book in June. Besides creating a book, the staff must also sell it to over half of the student body. We try to be fair to all aspects of the school and if we've left anything or anyone out, we apologize. Bring it to our attention and we promise to do better next year. We hope that your 1979 Atinian is as meaningful and important to you as it is to the staff.

# Cross Country

Why would anybody want to run 2.1 or 3.1 miles up and down hills at their top speed? When asked this question, one of the runners from Taft's speedy cross country teams replied, "Because I like the feeling of accomplishment." Another competitor said, "It's a good way to stay in shape." But the most universal answer received was, "I don't know. Maybe I'm crazy."

BOYS' VARSITY BASKETBALL. Front Row: Greg McNair, Mark Leonard, David Kobrine, Brad Pearl, Tim Evert. Back Row David Lubarsky (Manager), Eugene LeDuff, Craig Gleason, Ben Balke, Ross Leavens, Jim Brown, Gary Coleman, Coach Furlong.

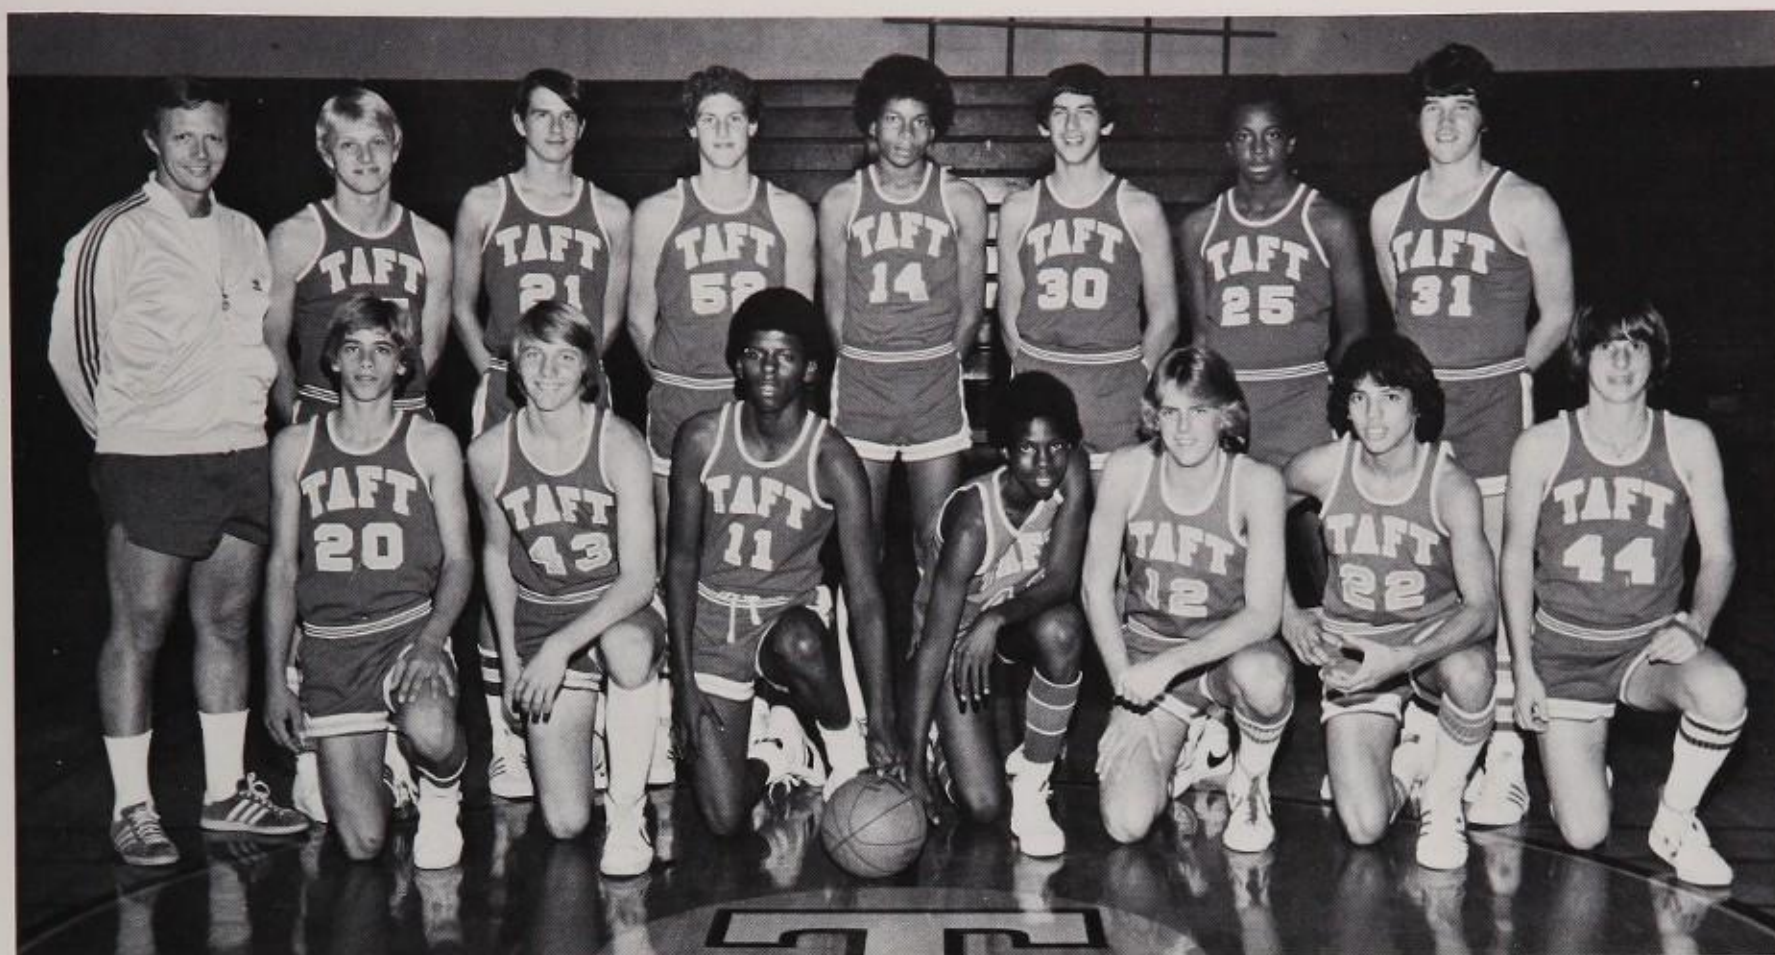

The 1978/79 Varsity Boys' Basketball team has great potential. With the many returning and new players, both the Varsity and Junior Varsity teams look promising. For the past two years, Taft's Junior Varsity team has been undefeated and has made league. Coach Furlong believes that this year the teams have everything a basketball coach could ask for.

GIRLS' J.V. BASKETBALL. Front Row: Donna Hetman, Sheila Scott, Coach Martinez, Shenell Dunn, Darrylin Daniels. Back Row: Robynne Carter, Debbie Hetman, Monica Bauman, Kathy Regan, Julie Albeck, Lisa Lichtenstein, Pam Benesh (Manager).

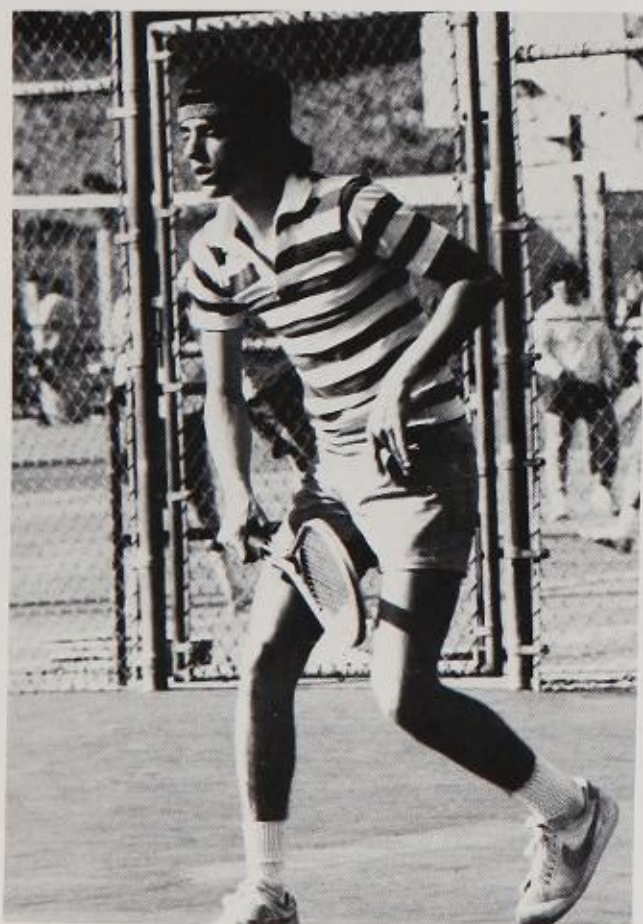

The 1978/79 Girls' Basketball Team had a good season with the Varsity placing third and the Junior Varsity placing second in their league. Coach Martinez found his job rewarding and thoroughly enjoyed the experience. He feels that he may have underestimated some of the other teams but he knows the girls tried their best. He believes that success has more to it than just competing and winning; the girls have to enjoy playing the game.

# Boys' Tennis

BOYS' TENNIS. Front Row: Robert Fox, Andrew Ross, Rick Schwartz, Mark Miller, Greg Yamin, Rob Smith, Brian Bockwoldt, Greg Davis, Joey Heller, Chuck Lesem. Second Row: David Hartman, Skip O'Shea, Mitch Rosenberg, Steve Zola, Jeff Buffington, Ryan Bolger, John Benun, Steve Kolker, Adam Berman, Tony Albanesi, Glen Kovacs, Marci Mitteldorf (Manager). Last Row: Coach Lambert, Jim Brown, Andrew Manning, Steve Mintzer, Richard Paley, Ivan Klarich, Cary Winston, Richie Holdren, David Lettiere, Brad Adler, Steve Nassief, Mike Cordova, Scott Chortkoff, Erica Pill (Manager), Mandy Claff (Manager).

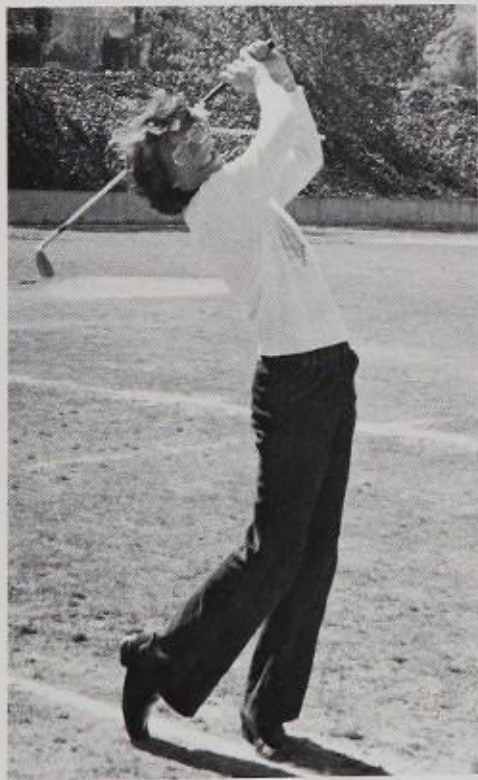

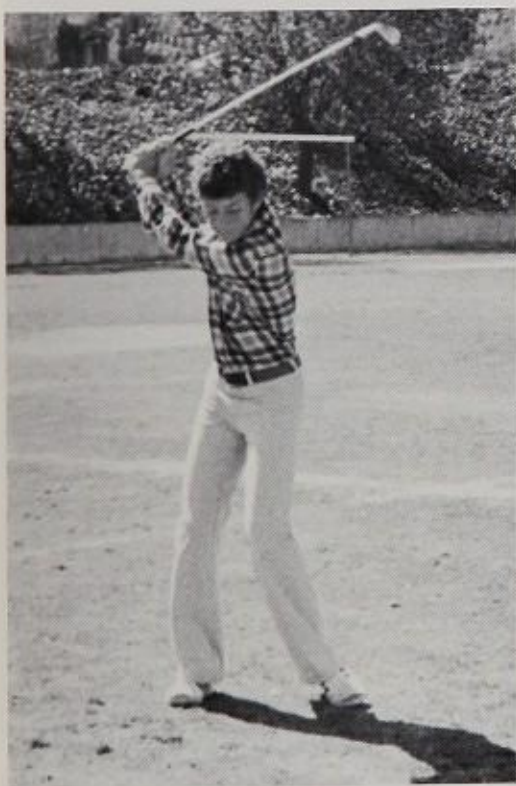

The Boys' Tennis Team consists of singles and Doubles teams. The players practice about three hours a day. From early March through mid-June the Taft team competes against other high school teams. Coach Lambert is pleased with the progress the tenth graders and returning players have made. He's especially pleased with Richard Paley, Ivan Klarich, Mitch Rosenberg and Skip O'Shea. With the players' outstanding abilities Taft is bound to be in the West Valley League Championships once again!

# Golf

GOLF TEAM. Front Row: Bob Thye, Joe Terrill, Duffy Waldorf, Eric Reimer, Robert Chinskey, Warren Sacks, John Kay. Last Row: Kathy Nelson, Connie Abdun, Burke Franklin, Dave Koz, John Driscoll, Mike McCune, Mark Franklin, Marv Rich, Mark Good, Mr. Kratzle (Coach).

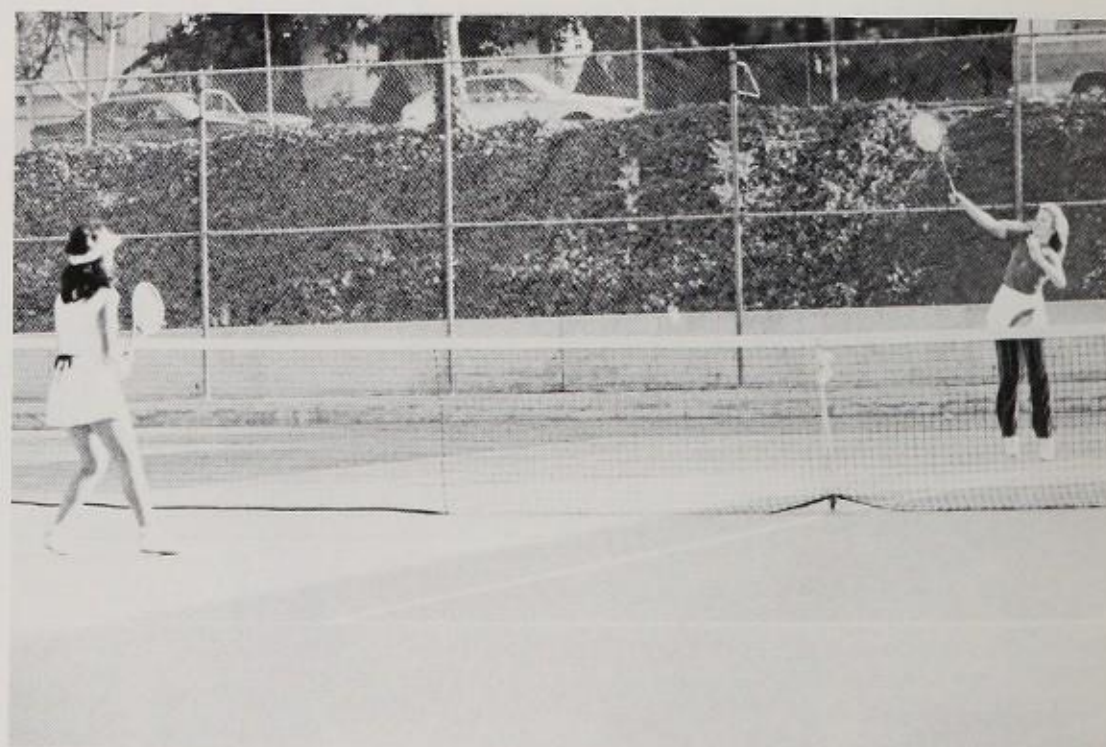

Taft's Golf Team is a hard working team, consisting of sixteen members. Fourteen of these members are tenth graders, with only two returning lettermen. The coach, Mr. Kratzle, said that there were many good prospects and he predicted a good season, even though the league offers stiff competition.

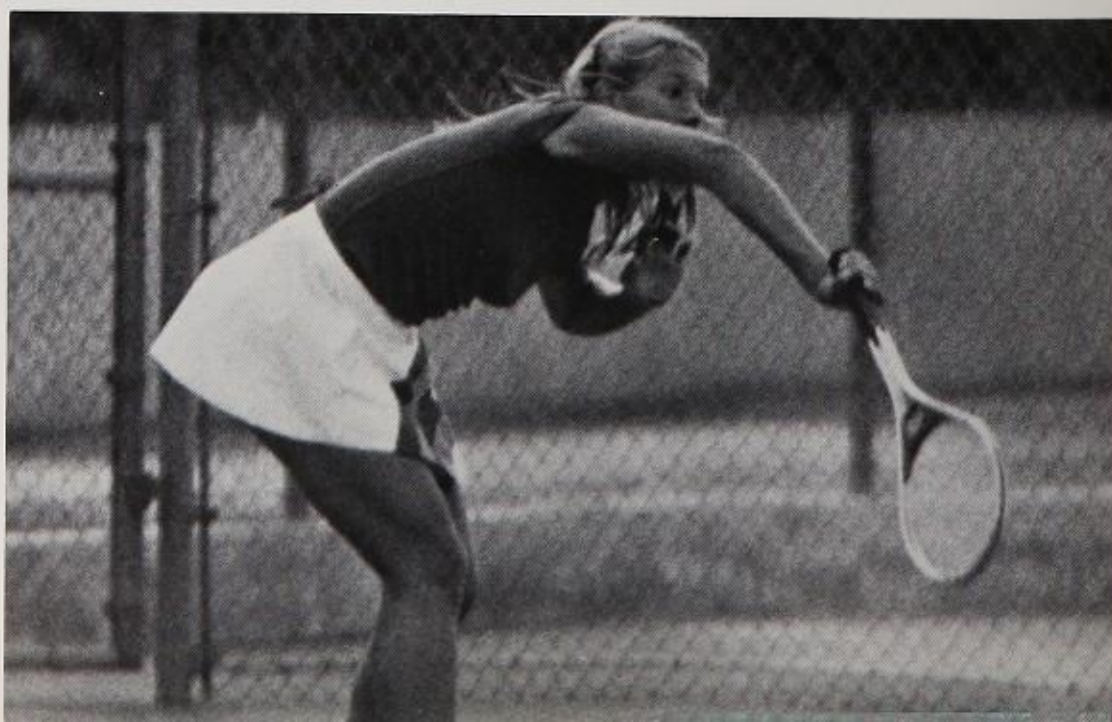

## Girls' Tennis

GIRLS' VARSITY TENNIS. Front Row: Marsi Friedman, Jamie Levy, Pam Wax, Robin Weintraub, Deena Inouye, Kathy Rooney, Lisa Kassner, Cindy Woodhouse, Suzie Silvers. Back Row: Natalie Broidy, Randi Berney, Denise Gelfend, Erica Pill, Marci Mitteldorf, Janis Feder, Sharon Sokoloff, Lisa Fisher, Ellen Meskimen, Phyllis Pugh.

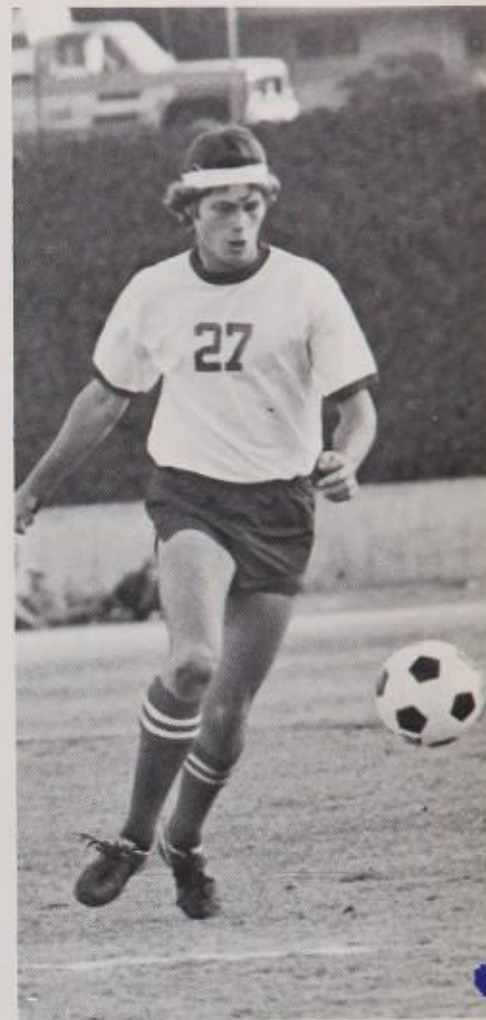

Taft has traditionally had a great girls' tennis team, and this year was no exception, led by such outstanding players as Cindy Woodhouse and Pam Wax. The girls placed first in their league and went on to city finals. Opposing teams had double and the trouble when they played one of Taft's doubles teams, such as Randi Bernie and Marsi Freidman. Taft's tennis team is one tradition we hope continues.

# Soccer

SOCCKER. Front Row: Ken Blaich, Scott Metcalfe, Iraj Sakuei, Robert LeVangie, Gerhard Hill, Eric Eichmann, Jerry Chang, Craig Sperber, Burke Franklin, Mandy Claff (Manager). Robertson, Ken Blye, Nicolas Trifunovich, Ken Freeman, Kevin Burntkins, Gary Moore (Captain), Mel Metcalfe, Kye Sharpe (Manager).

The 1978/79 Soccer Team consisted of many talented members who put in their best effort to overcome tough obstacles. However, they only won one game. This year was the first time Mr. Kroot ever coached soccer and he was inexperienced. He commented, "It was not until one week after the team had been formed that I realized the game of soccer was played with a round ball." He learned about the game through reading and watching it be played. Mr. Kroot hopes that with the experience gained, next year will be a winning season.

# Boys' Varsity Baseball

For the past two years Taft's leading swimmer and athlete has been Stuart MacDonald. In the tenth grade Stuart won the city-title in the 100 yard Freestyle, placed second in the 50 yard Freestyle, and anchored Taft's 400 yard Relay to a third place finish. In his eleventh grade year, MacDonald defeated a world class swimmer from El Camino, Brian Roney. He was judged All-American and one of the top ten swimmers in the United States. As a senior, MacDonald hopes for an even more successful season. Not only does Stuart workout with the school, he also has an outside trainer and puts many extra hours into swimming. Stuart has been swimming for seven years and is a 1984 Olympic hopeful.

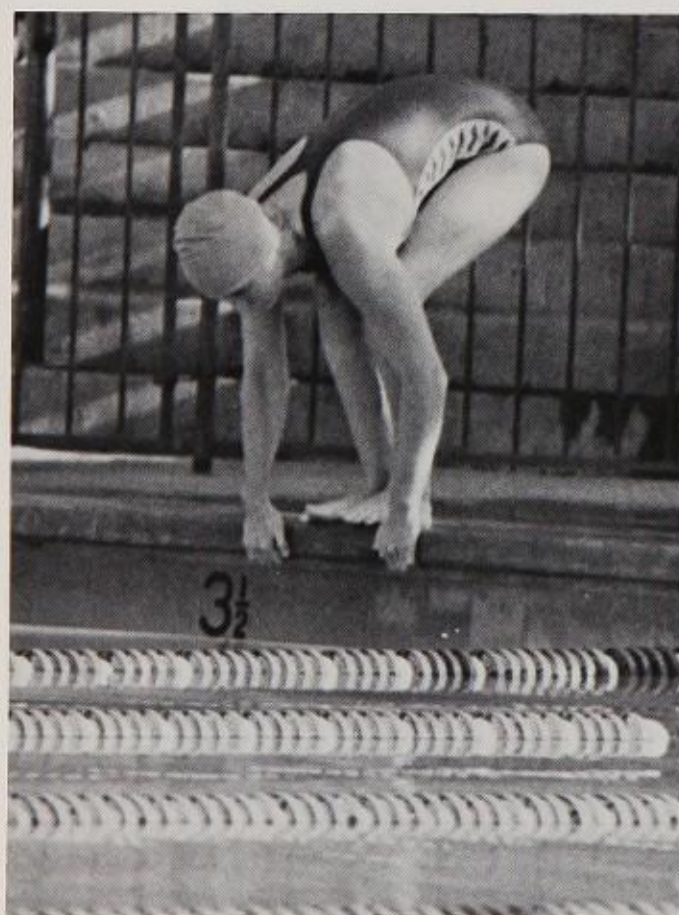

## Girls' Swimming

Mr. Mori, the coach, feels that the Taft Team is the top in the West Valley League and one of the top three teams in the entire city. Contributing to their excellence are the team's top players, Eugene LeDuff, Ross Leavens, Bill Morris and Matt Reda.

This year, Taft's Basketball Team had a spectacular season, winning the title of the West Valley League Championship. Going on to the play-offs, Taft won against the tough competition of Jordan High School. A week later they were faced with the competition of last year's "AAA" champions, Fairfax High School. The game took place at Pauley Pavilion and this event was considered one of the most exciting games in Taft's Basketball history. They were ahead for three quarters and had the spectators on the edge of their seats. In the fourth quarter, the score was close, but Fairfax took the lead and won by one point. Taft has excellent teamwork and it showed throughout their games. The Basketball Team, besides being the West Valley League Champion is rated number four in the city.

Contributing to their success are Zia Modabber, the all around man, Oliver Morris, Dan Friedman and Richard Pali.

### After My Death

There was a man. Behold, he is no more.  
Too soon his life was quenched,  
Too soon his melody hushed.  
What a pity!  
For one song more he had to sing.  
And now, lost forever is his song.  
Forever lost!

What a pity!  
This man had a harp-  
A living lilting soul,  
And when he played his harp,  
It gave utterance  
To the secret musing of his heart,  
Save one secret longing, stifled within him.  
Though round and round it  
His nimble fingers flitted,  
Giving speech to silent strings,  
One string, alas, forever mute remained,  
Forever mute!

What a pity!  
Through all its livelong days the muted string  
Trembled and quivered in silence deep.  
For its liberating lover, for its song  
It ever languished, ever yearned and grieved-  
As the heart languishes for its predestined love.  
Too long it tarried and never came,  
Never came!

And great is the grief!  
There was a man. Behold, he is no more.  
Too soon his life was quenched,  
Too soon his melody hushed.  
What a pity!  
For one song more he had to sing,  
And now, lost forever is his song,  
Forever lost!

Dear Carolyn,

It has been a pleasure knowing you and having you work with me. You are a lovely, dependable girl and have helped me so much. I wish you success and happiness always. I hope that you enjoy Westchester, but we will miss you here at Ioft. Do keep in touch.

My very best wishes,

Mrs.

Dear Carolyn,

Well I guess it's time for me to say Good-bye (but not forever.) Keep in touch by writing or taping. Keep up your crazy sense of humor. (Tape me some good jokes.) You are a sweet sister and I love ya for it even though we sometimes don't get along. But I won't forget you hope you will get together in good with John. (Because you're a good couple together.) Well I see ya later, gotta fly. And I hope to see ya in August. See ya later.

Love + Sister's forever,

It's really  
been an enjoyable  
experience knowing you  
this past semester. You at  
ways seem to have something  
cheery to say which always  
perks up my day. I certainly don't  
It was too who works so hard  
in class, yet, I tried algebra and for a course.  
I know you. I wish so many got an A. I graded you on effort  
subject and I only got an A. I graded you on effort  
alone, you'd surely get an A. I graded you on effort  
Will miss you but visit us. Since you'll be transferring  
to Westchester High but visit us. Since you'll be transferring  
you coming back to visit us. Since you'll be transferring

Dear Carolyn,

I'm really glad I got to meet you this year in my health class. We had lots of fun, laughing, joking, cheating and other shills. You're a really nice and friendly person and I wish you were coming back to Toft next year so we could see each other and talk. But good luck at your new school. I'll give you my address so write to me as soon as possible. Keep up your good spirits even though both of our annuals were stolen, what aummer, but at least you got a new one (lucky) and keep on smiling. Have the best summer ever in your life because you deserve it and also keep up your softball skills. Hopefully sometime I'll dump into <sup>you</sup> over the summer so we can do something together. Keep in touch and good luck in your future life.
